Authorization to Treat and Bill

I consent to be treated by Providence. If I am not the patient being treated, I am authorized to consent to treatment and billing for the patient identified below. I authorize Providence to bill my medical insurance for the care I receive and to release any information the insurance carrier requires to process this bill. I authorize payment of medical benefits to Providence, or to outside labs as described below, for all services performed and billed by Providence. I understand that I am responsible for all charges for the treatment I receive at Providence. I understand that Providence providers may utilize the Prescription Monitoring Program service at no additional charge to me.

As a courtesy, Providence will bill my medical insurance. If I do not provide complete and accurate insurance information to Providence, I understand Providence may not receive payment for my carrier and I will be entirely responsible for my bill. Even after my medical insurance company pays Providence's bill, I may owe Providence payment for services not covered by my insurance and I agree to pay these promptly to Providence. I understand that Providence may send lab specimens to an outside laboratory. I authorize any lab performing services for me to bill my medical insurance for their services. I understand that my medical insurance may not pay for all services provided by the lab and I agree to pay any remaining balance promptly to any outside lab providing services to me. I understand that Providence is not responsible for payment to outside labs for tests provided to me.

To protect my privacy and prevent fraud, I understand that if I cannot provide acceptable photo identification at the time of service, Providence may choose not to bill insurance and may decline credit/debit cards and checks as a form of payment. I understand that if I fail to pay Providence for services provided to me, the balance owed may be sent to collection and I may incur collection fees of up to 25% in addition to the amount owed for services/treatment rendered. I understand that I may contact Providence to work out payment arrangements that may prevent this additional cost.
